EMPLOYEE SPOTLIGHT

Janae Beatty

House Manager, Women's House

Janae joined Midsouth Sober Living as House Manager of our Women's House in October 2025. She works closely with residents as they navigate the challenges and victories of building a life in recovery.

For Janae, recovery is about more than staying sober. It's about rebuilding trust, finding purpose, learning new skills, and becoming someone you're proud of. She brings encouragement, accountability, and genuine support to the women she serves.

Outside of work, Janae loves making memories with her 14-year-old daughter and 9-year-old son, exploring new food, reading, and listening to podcasts. She's also working toward her paralegal certificate.
